12 In the tracing put up (for which I am indebted to the Courtesy of the Chief Engineer) the site which I would recommend for the Club is shown in red borders. It is more suitable for a public building like the club than for residential quarters for Professors. It may be somewhat extended as indicated so as to make not less than 5 acres and seven over. The Club Members are taking steps to raise debentures, & if the grant of the site is sanctioned early, it will enable them to raise the money required earlier. I would therefore recom-

CONF. No. /

To,

The Secretary to the Government of
His Highness the Maharaja of Mysore.
General and Revenue Departments,
BANGALORE.

Sir,

I beg to enclose a copy of the resolution passed at the General Meeting of the Club, for the kind consideration of the Dewan. In the absence of a suitable building for the Club the mofussil members are experiencing considerable difficulty for lodgings. A spacious compound is necessary for putting up 'Out-houses', Tennis Courts and for providing proper accommodation to members, who wish to take temporary lodgings. The members are anxious to secure 5 acres of land out of the Extension plot of ground, recently acquired just behind the Survey Offices.

I therefore pray that you will kindly place the proposal before the Dewan and get the Club the extent of -- ground they require.

I beg to remain,
Sir,
